Summary

The piano is in GREAT condition, and belonged to a renowned Los Angeles film producer. The piano is in GREAT condition, and belonged to a renowned Los Angeles film producer.

It has been given a concert level regulation and voicing. The action is crisp and extremely responsive, with a very clear, bell like treble. The bass on this instrument is nearly comparable to a much larger 7 foot piano.

Before the C3 was replaced by the CX3 in 2013, C3's were retailing for nearly \$40,000 in 2012. We're selling this one for \$11,750 so it's a great opportunity to own a beautiful instrument at an incredible price.
