Summary

This beautiful little piano was owned by a celebrated movie and TV family for the last several decades. It was completely restored about 20 years ago, and David Anderson Pianos has been maintaining it since it was rebuilt.

It's got a big, bright sound for a little piano, and the restoration work was done by good craftspeople who knew what they were doing.

- Beautiful finish, show room appearance
- All new action parts, rebuilt key frame, new strings and dampers, completely refinished
- 10 year warrant
- Free moving in LA

\$17,500.00
