Summary

This beautiful piano was owned by a celebrated movie and TV family for the last several decades. It was completely restored about 20 years ago, and David Anderson Pianos has been maintaining it since it was rebuilt.

It's got a big, bright sound for a smaller piano, and the restoration work is excellent.

- Beautiful finish, showroom appearance
- All new action parts, rebuilt key frame, new strings and dampers, completely refinished
- 10 year warranty
- Free moving in LA
